description:

Detached luxury villas. Located within a plot of 600m, we find these homes of high quality. On the ground floor is the main access to the house, parking for two cars, a beautiful garden completely finished with landscaped and paved areas, porch, toilet and 8x4m pool. The house is very luminous, has on the ground floor a bedroom with bathroom and large closet, a large living room, a spacious kitchen with utility room and access to the upper floor, where we have two bedrooms on suite (with bathroom inside) and closets. In this plant we have access to the solarium from which we can see the sea. The house offers a very comfortable environment and avant-garde and innovative design. It has under floor heating in bathrooms, hot water by aerothermia, PVC exterior carpentry, cold air conditioning ducts, home automation, alarm ... Includes kitchen furniture and bathrooms. Unique housing based on its great quality and spectacular design. Please contact us for more information without obligation.
